“ Greg and Luke,
So very sorry for the loss of your percious son, Taylor. He was just like a brother during those 4-5 years that he and Holly dated. He was such a kind and funny spirit, and his memory will live on in the tons of goofy pictures i have collected of him over the last few years! Enjoy every minute of the percious life that he created in your soon to be grand daughter. I know that he would have made an amazing father! We are praying for you and your family in this time of grief. Please know that you are loved, and we are praying for healing. We love all of you!

“ Lucretia, Greg and Jonathan,
We were blessed to have Taylor as an extended member of our family. He was such a handsome and polite young man. Words can not express how deeply sorry we are for your loss. We can be sure that our temporary earthly homes and bodies are nothing when compared with those homes and bodies of perfection that we will one day have in heaven. Today Taylor is certainly a recipient of a perfect body and a beautiful heavenly home. May God use your friends and family to give you the comfort you need as you grieve and continue to celebrate Taylor's life. Our thoughts and prayers are with you and your family.
We love you very much, George and Bobry Jackson
