*So sorry. I hate we didn't get together to remember the good times. I will always remember looking forward to Tena out growing her clothes and the fun had playing with Barbie dolls as little girls. She bought me my first egg McMuffin when she first got her driver's license. She had a big heart and I loved her for it. I believe she is at peace now. I pray for her family to take comfort in God's grace and the memories of happy times!*
