“ My dearest T and her family, Ooooh so hard to say good bye to you my dearest friend. You blessed our lives (Todd and Amber) more than words can say. We became fast and furious friends 10 years ago in Maple Grove, MN. We didn't know at the time, but we needed each other to be our family away from home. We loved and cared deeply for each other. What a blessing you was to us and I know we were to you. You spoiled us but in turn we spoiled you right back with home living and great Chef Todd's grilling. We loved to feed you and you loved to be fed. We loved the perks you sent our way and you loved watching us enjoy them. You help us pull off an epic wedding for pennies.... finding that a great wedding isn't about the money spent but who you spend it with. You had a heavy hand in the design, construction and finishes of the house we built 4 years ago. Oh how we laughed that Todd had to leave the country during this time ... Yes Mr. builder will take the best you got! Today, 4 years later, I am saying good bye to the house we built together and to you ... lots of tears! It wasn't just the big times it was all the little times in between. We just don't get friendships like that very often in life. As we all planned, we are going HOME. Thank you Teresa Hendrix (like Jimmy) for blessing us with so many great memories. We will never forget. Hug your Foley girl and run with your dad and Craig down the beach in heaven. I know your happy now. And T, save me a seat ... until we meet again my sweet, sweet southern girl! LOVE YOU FOREVER, Amber and Todd
