“ *In our heart*

*We thought of you with love today,
but that is nothing new.*

We thought about you yesterday.

And the day before that too.

We think of you in silence.

We often speak your name.

Now all we have is memories.

And your picture in a frame.

Your memory is our keepsake.

With which will never part.

God has you in his keeping.

We have you in our heart.

We love & miss you Momma

Love Always,

Your children & grandchildren

“ A very sweet soul. Helped me out anytime I needed it and would come to visit me when she could. Wish I spent more time with her but she never will be forgotten. There are many lives that she has touched directly and indirectly and that is the most any person can do. She left a good family who will forever be good because of her.##imported-begin##Megan Lininger##imported-end##
