“ I met Teresa through my Son Stephen Chappell, what a great person to know. The sweetest and kindest you would ever want to meet. Stephen and I both will miss her terribly. She was so kind to Stephen, he and I both will always be so grateful. May the Lord be with you in the days ahead. JoAnne Chappell

“ I miss you so much! We first met in college in our society, Theta Pi Delta, in 1983. We then got to know each other when I came back to Greenville to teach in 1993. I loved sharing recipes, teaching ideas and doing things together. We talked daily to see how each of us was doing. I can't believe you're in heaven. I thought we'd be in a nursing home together in 30 years!
