“ We'll miss you buddy. Fond memories of tuna fishing in the boat and surf casting for stripped bass from shore. I'm forever grateful for the time we had together.

“ Terry was always up for a great time, especially in the outdoors, and for sharing it with others. He had a generous heart, was a terrific cook, had a remarkable memory and a keen intellect. He was blessed by beautiful children and grandchildren.

*This photo was the first and last time all 4 of us siblings were together at the same time in the past 20-25 years*
