“ Dear Valeria so sorry to hear of the passing of your dad. I worked with your grandfather at Carotell for years and met Terry at that time. Then I had the privilege to work with Terry at Mitsubishi for many years. He was a good friend and coworker. So sorry we will be unable to attend the service but our thoughts and prayers are with each of you.

Valeria so sorry for your loss. I had some good times working with Terry at Mitsubishi. He was a good friend and always made me laugh. Terry and I use to trade lunches at work, I didn't mind trading my sandwich for Terry's home cooked meal. Our prayers are with you and your family.

“ All my Love and Prayers to Valarie and Scotty. I love y'all and I loved Terry ("Louie"). A lot of my favorite childhood memories include Louie and Vivian. I used to spend weekends with them and they always treated me so good! He was so close to Daddy and we used to take family vacations together. They were always so much fun! I know he will be dearly missed but I'll bet Vivian still has him in a bear hug. She adored him. I will keep the family in my Prayers. Go rest high on that mountain Louie and we'll all see you again one fine day!
