“ Papa,

This is my favorite picture of you & I. This is how I'll remember you.. I remember so vividly when you would take Beth & I fishing. I remember while school was out one summer, you'd cook us your "famous" breakfast. The eggs, potatoes, and your bread, that we loved so much! I'll always cherish every memory I have of/with you. I'll always look and see you at the kitchen table with that guitar or you making Bambi sing. I thank you papa for being the best grandfather a girl could ever have. You're the only papa I've known. I'll take care of grandma & Bambi. I hope you're lungs are so full of air in heaven right now and you're dancing and singing to some country music. I love you papa... you'll live on, forever.

*Love always,
Cassie*
