“ Tommy and family, I was so sorry to hear of Mrs.Brown's passing. I did not know until this week. She was a very kind and caring lady that I had the pleasure of working with, she always helped me with my garden and brought me tomatoes when she was able.

“ She was my sweet cousin and we graduated high school together. As a child she was so sweet. She had the first pair of roller skates I ever saw. In high school she would pick me up and give me rides home from school. She was always so positive and kind. God welcomed another saint home for sure.

“ I knew Louise from the Tuesday Morning Prayer service at Praise Cathedral. We would chat sometime before the service started and she would tell me all about the garden and the canning she was doing for the winter months. Also she shared her love of her precious family and how much she love her God and Praise Cathedral..She had been on my pray list for some years.Rest in Peace my dearest one, Heaven is sweeter since you walked in to the Presence of the Lord.
