“ *Thelma was a good friend to my mom, Ruby Pollard when they were young. I remember her as a feisty red head that loved life. She was an inspiration to me as a young child. I've wondered where she was living and am so sorry for your loss of such a lovely person who loved life.*

“ *Suzanne, so sorry to hear this. Was looking forward to sharing that 100th birthday party. We shared many days in Jasmine Cottage and I know you will have a great void in your life as I did. Hope you find peace in knowing that you did above and beyond anything a child could do for their parent. I will be praying for you.*
