“ To all her friends & family, I send my deepest regrets for this tragic death. So often we take life for granted and never realize when one that we love dearly is in a desperate state of mind. This is the case with Theresa. I've not seen Theresa in years, but was fortunate to speak with her via our Bazzle website and what a sweetheart she was. She was always caring & joyful in her messages. Theresa we love you cuz and I know God is holding you in His precious arms and loving up on you. I don't know why this happened but just know that you are loved by all of us and will be missed terribly. To her husband, children & grandchildren and especially her Mom, I pray for peace and with God's grace, I pray that you will find the strength to go on and remember the good times with Theresa, as I will (those days at our MaMa & Pa Pa's house) when we were oblivious to all of life's ups & downs. You all will be in my prayers always!! Love to all, Deb##imported-begin##Debra (Bazzle) Fowler##imported-end##
