“ My memories of Pete go back a lot of years.. oh yes, we were young and attracted to some lovely ladies who lived at Jackson Mills. We all grew up and took our path of life and we enjoyed hearing Jimmy Thompson preach and some of us attended Faith. The years have taken their toll on all of us and some of us have gone "home" and we miss them now. Some of you will still remember me, but it has been many years since we've seen each other. I trust that "Our Father" will continue to love and take care of us.

“ Pete was our dear friend and we are so sorry for your loss. Your family is in our thoughts and prayers. We were members together at Gospel Tabernacle and we will never forget Pete. Pete was a giving and loving man and more importantly he loved God. We look forward to seeing him again in heaven.##imported-begin##David and Sharon Sluder##imported-end##
