“ *The Chapmans have always been family to me. I spent so much time with them growing up - at their house and on beach trips, and I have so many fond memories. Tommy always greeted me with the biggest and best hugs. From childhood until the last time I saw him, he could always make me laugh. I loved him like a dad and will miss him. My heart is with Kim, Carolyn and Leslie, and I share in their grief. I love you all so very much.*

“ *Carolyn and Family, my heartfelt sympathy in your loss. May God's love wrap you in His grace, mercy and peace during this most difficult time. May your precious memories give you comfort in the coming days and and keep Tom close to your heart. Carolyn, we have lost touch over the years but I have such fond memories of us growing up together at Woods Chapel Church, Bible School, MYF, and all the beloved members there that were Christian examples who influenced us during those times. God's saving grace has promised we will see our loved ones again with Him in Heaven all new and well and what a glorious day that will be! Until then, we have their love to cherish until we see them again. God bless each of you and be gracious to you. Sent with my love and prayers, Linda Coggins Roberts*
