“ John and I first met Tom and Julie years ago as they lived across the street from our house. We both thought Tom was a very nice person and his wife Julie as well. I am so sorry for the family and cannot believe he's gone but he went to a better place and one day all of us as Christians will be there. I loved the extended family as well, Julie's mom and dad and the 3 girls. God bless you all.

“ My family and I have known Tom and Julie since they started dating. Tom and I always had much in common to talk about, we were both in the Construction field. I recently saw Tom several times at a house on Lake Keowee. We enjoyed a time of conversation about his work and family. He spoke of his great love for his girls. We spoke of getting together for lunch or Christian fellowship in the future since we were working in the same area. As I heard of Tom's death I cried thinking of the missed opportunities to be with this dear friend again. Life is short and we need to cherish times with friends. I will miss Tom, but I know I will see him again in heaven!

“ Tom was our dear friend especially when all of our kids were little. My favorite memory was of him coming to help with our first play set. In fact, Julie found the set in her neighborhood and Tom helped us move it in a Home Depot truck! He was the kind of guy you could always count on and call on. We will miss him and can't believe he is gone. We love you Martins.

“ *Our sincere sorrow goes out to Tom Martin, Sr, his wife, and 2 daughters. Our paths crossed briefly in the little church in Prosperity, SC in the 1980s. Have lost contact since then but will celebrate a grand reunion one day on the other side.*
