“ Eddie is my first cousin and we have shared memories as my sister and I were the eldest of the cousins. We found humor and could laugh with each other as only cousins can do. Eddie is now with Phil and Barry and their parents and other loved ones in a land where they'll never grow old and are well and whole. I shall miss him as I do his brothers!

His girls were his life and they have certainly made him proud! My love and prayers are with Kelly, Brittany and Kaitlin! Theresa H Harvey

“ Eddie and his family grew up two houses down the street from me. I have many wonderful early childhood memories of him and his two brothers. They taught me to ride a bicycle, go karts, mini bikes, and to do things that got me in trouble that the older kids were doing. LOL Rest in Peace Old Friend!💔
