“ I will miss my Uncle. I remember the time in Greenville, SC when you all had just moved into a new home. Our family came to visit and your dog got loose and bit me in the behind. Uncle Tommy liked to have become an Olympic athlete chasing that dog to get him back into the fenced yard.

I also remember the time the he convince my Daddy to let me go with the adults to see the movie “Walking Tall” at the local drive-in theater. It was the Hilltop Drive-In in North Augusta.

I remember when I gave Jody a used tricycle that I had found and fixed up. According to Uncle Tommy, Jody rode that thing into the ground until its wheels were just about to fall off. He used to fuss at me about that and tell me to stop getting stuff out the trash and fixing up for my cousins.

Another memory was when he was working at Plant Vogle. He was a pipefitter or pipe welder, I can't remember which. What I do remember is he worked long hours and took great pride in making sure the work he did was the best possible.

He often had health problems but was always a fighter and able to overcome them. Now, he is with our Lord and able to rest. Our prayers are with you all.
