“ *Ruby& Family,We were very sorry to hear of Buddys passing.All of you have our deepest sympathy. The two of you were proably the closest married couple i've ever known. You weathered a lot of storms together which goes to show how strong your love and commitment to each other was. In the days and weeks ahead remember the good times you shared,remember you'll see him again. We're thinking of you and keeping you in our prayers. “ *Nana, I wanted to let you know that we are all thinking about you and keeping you in our prayers. Always remember that though papa is gone from this world he is waiting in a much better place until we are all together again, and until then he will watch over us in his own special way. I'm sorry we could not make it down, but we will see you soon. We love you and papa very much.Love Tony, Tonya, and Jocelyn###imported-begin###Tonya Sanzari###imported-end##*

“ Ruby, We will all miss Buddy so very much, but not near as much as I know you will miss him. But just remember, one of these days you and him will be together again for the rest of eternity. And he is able to walk, run, jump, and do anything else he wants to along the streets of Gold right now in heaven. We love you !!
