“ *To all the Runion Family:  
I am so sorry to hear Cecil has passed away. I have thought often of all the Runion Family and wondered about the paths taken in your lives. I remember all the fun we used to have as children growing up as neighbors at Double Springs. As we grew up and moved away we lost contact, however, I do think of you often.  
I will be in South Carolina in June and July and would like very much to visit and reacquaint with you.  
I wish for each of you the very best, and please accept my condolences in your great loss.*

Love is like a lizard

Love is such a funny thing;  
 It's very like a lizard.  
 It twines itself around your heart  
 And penetrates your gizzard.
