“ I met your father at Summit Hills during the last few days. He surely was a gentle soul. Being a fellow born again Baptist we all know He was in control and your father's day had come. Be content, be happy knowing that someday you all will see your father again. I know it hurts in losing him, but just remember he was self sufficient to the end. We have a great example from his life. God bless.##imported-begin##Margery Woodruff##imported-end##
