“ Hello dear carmichael family!
I wish to express my deepest sympathies for your loss. Thomas was a very dear coworker of mine at Cryovac.His locker was next to mine and we made smalltalk every day. I felt good to have looked up the value of his antique Coke bottle he was fond of. I'm sorry I could not make it to the visitation or funeral. God bless you as I pray for you.
Sincerely , Andy Teuber##imported-begin##andy teuber##imported-end##

“ *Rest in peace Thomas Carmichael. God knows you deserve it.*

Although I had heard and read of Thomas for years around the vintage enduro scene, I did not meet him until last year when he and I helped Greg Holder produce the inaugural Carolinas White Lightning Cross Country Classic.

He was a fine fellow and definitely a kindred spirit.

Thomas was invaluable help to Greg in laying out and constructing the wonderful course for our race at K&S Kartland near Fountain Inn, South Carolina.

Thomas and his family worked tirelessly manning the admission gate at our event, through the torrential rains that picked our weekend to end Upstate South Carolina's worst drought on record, and the resultant mud and slop.

In retrospect, Greg and I feel the brain cancer was already affecting Thomas on that wet weekend in March, as he just did not feel up to his game.

Although all who knew Thomas will miss him dearly, we can take solace in knowing he now is free of pain in the presence of God.

Godspeed brother Thomas. We will miss you.

Sincerely,

Al Roof###imported-begin###Al Roof###imported-end###
