

Throop "Troop" Locky

August 22, 1947 - February 25, 2026

Throop Crosland Locky, 78, went to his heavenly home on February 25, 2026, surrounded by his loving family, dear friends, and the compassionate caregivers at McCall Hospice House in Simpsonville, South Carolina.

Born on August 22, 1947, in Bennettsville, South Carolina, Troop was the son of the late Douglas Daniel Locky and Lillie Mae Locky.

Troop was a hardworking and dedicated businessman who believed in the value of hard work. He worked seven days a week managing his many ventures, which included operating a car lot, working as a contractor, managing real estate rentals, and pursuing just about any opportunity he could to "make a dollar," a phrase he was well known for saying. His strong work ethic and entrepreneurial spirit defined much of his life.

In addition to his parents, he was preceded in death by his brothers, Carson Locky, Douglas Locky, Woodrow Locky, Rudolph Locky, and Robert Locky; and his sisters, Catherine L. Trusdale and Mary Locky Norris.

He leaves behind his family, friends, and business partners who will cherish his memory and carry forward the lessons of determination and perseverance he shared throughout his life.

Funeral services will be held 11:00 a.m. Monday, March 2, 2026, at The Wood Mortuary Chapel conducted by Rev. Mark Smith. Committal will be private.

Visitation will be held 9:30-10:45 a.m. Monday, March 2, 2026, at The Wood Mortuary.

Any donations can be made to St. Jude Children's Research Hospital, 501 St.

Jude Place, Memphis, Tennessee 38105, which held a special place in his heart.

“ Troop, my brother from a different mother, would always say to me.
I was a HVAC technician with P&L Mechanical. Troop always said "Darrell Lara go make us a dollar". Around 15 years ago, we were out riding Troop on Spiderman chopper me on FXDX on Highway 25 heading south near Highway 11. Troop blew by me running around 140. Well, I caught with him. The highway patrol had him pulled over. I waited down the road for Troop. Trooper asked "know how fast you were going Troop; no I have no speedometer". Trooper said 140 . You are my friend. I love you my brother from a different mother. RIP THROOP. I will see again on the other side. God bless you. YOU ARE A GOOD MAN.

“ Although he was not my biological father he treated me like his daughter from the time I was about 4 years old until i was grown. He taught me so much about life and how to work hard, to never give up on the things that you believe in, and to stay in my ground! I'm going to miss you so much Troop
