

Tim Boone

September 11, 1961 - November 29, 2025

Tim Boone, age 64, passed away peacefully in his sleep on November 29, 2025.

Tim was a warrior—one who fought valiantly his entire life. His spirit was strong, bright, and determined, even when his sweet little body could no longer keep pace with that fierce inner strength. Through every challenge, Tim showed resilience, courage, and a gentleness that touched everyone who knew him.

One of the most beautiful things about Tim was his gratitude. He was always thankful for the love, attention, and care shown to him.

Tim lived at Parkins 1 with his friends and roommates, where he was truly cherished. Among those who loved him deeply was Latasha (Tash), his favorite caregiver, who shared a special bond with him. Tash—and all of the staff at Parkins 1—went far beyond providing care. They offered Tim genuine familial love, daily encouragement, and guidance that made his life rich, safe, and joyful. Tim felt at home because they made it home.

He is survived by his sisters Micki Delp, Connie Goudreau (Barry), and Cricket Shealy (Rob), along with many cousins, nieces, and nephews who adored him. He was predeceased by his parents, Ralph and Helen Boone, and his brother

Brent.

Tim loved music—especially the songs of Kenny Rogers & some of the old time Motown greats His latest favorite- Chris Stapleton.

Tim found comfort and happiness watching Smokey and the Bandit, and The Dukes of Hazzard, lifelong favorites that always made him smile.

Although he is no longer with us, Tim is now reunited with his parents and with Brent—whole, strong, and free from all earthly limitations. We imagine him proudly wearing one of the Navy ball caps his daddy always shared with him, smiling that sweet smile, surrounded by the family who went before him.

A memorial service will be held 4:00 p.m. Thursday, December 4, 2025, at The Wood Mortuary Chapel conducted by Chaplain Bryan Bellotte

“ Tim was a special member of our family. Even when he was in the hospital and so sick if you asked him how he was doing, his answer was "I'm doing fine". He fought so hard these last few months of his already difficult life.

Tim always has a sense of humor , and knew exactly what he wanted. He loved his macaroni and cheese at his favorite spot, Golden Corral, shopping at Walmart and listening to one of his many cd's. His caregivers were so very loving and he loved them dearly , especially "Tash". Although I will miss him, I know he is in a better place and not suffering anymore. Peace be with you Tim. I love you!

“ For My Brother, Tim

Tim wasn't just a kind, sweet soul—he was my little brother, with a caring heart and sense of humor that lit up our family.

His life was never easy, yet he carried his battles with a strength that amazed me. He never complained, even when the weight was heavy. What mattered most to him were the simple joys of listening to his CDs, watching "Jeopardy" and the comfort of macaroni and cheese. Those small things brought him peace, and I loved seeing him happy in those moments.

Thanks to his fiercely devoted caregiver, Tasha, he was able to enjoy that favorite meal one last time. That act of love meant the world, because it gave him comfort when he needed it most.

Tim deserved so much more than the hardships he faced. As his sister, I will always remember his sweetness, his gentle spirit, and the way he taught me what true courage looks like. Though it hurts to let him go, I find solace knowing he is finally free from the pain and suffering which he endured. 💕

I will carry him with me always—in the music he loved, the warmth of our lifetime of memories, and in the love he left behind. He will always be my little brother, and I will always be his sister. ❤️ I love you Tim always and forever ❤️
