“ I'm blessed to have known Tim. We grew up together going to Flat Rock Jr. High and then on to East Henderson High school. Tim lived across the street from my grandparents, soon after we figured this out, I'd spend the weekends with them, and Tim & I would hang out all weekend. But as life goes, we went different ways... I just wanted to share a little, and share a few pictures I found in my school collection, I took pics for the year book.

Thank you David for sharing these pictures. Tim spoke of you often and are you the one he got in not really "trouble" with (either apple or tomato-can't recall)

“ *Tim was the best son anyone could ask for. He always thought of others before he did himself. He will be missed every day but he is not in pain anymore. Let's celebrate his life on earth not his passing. RIP Tim you will always be loved.*

I'm so sorry for your loss. Tim fought a very difficult battle because he wanted to spend time with his loved ones. He fought as long as his body would allow him and now he wants to rest. He is in GODS arms and his body is whole and without pain. Just think about how wonderful that must feel after such a hard battle. I love all of you and you will be in my thoughts and prayers

Dear Jennifer don't know if you remember me or not but my name is Chris Jordan. I use to be friends and roommate with Tim when he was in the Apartment industry years ago. I feel so bad for just finding out of Tim's passing. My sincere condolences to you. Tim was a good Man. Zeil I remember the most when we lived at plantation at Haywood. He was Tim's right arm most of the time. He loved that dog to no end. I only wish I had learned of this sooner. Please tell Gary I am very sorry if you can. Thank you
