“Gwen, just heard and I am so sorry to hear of your loss. I will keep you Dean and Harley in my prayers. I remember many nights at the racetrack and remembering the Green house on Camp Creek when he was little. You're in my thoughts. “Timmy, On this day that I last get to see you on Earth, I wanted you to know how much I loved you. I never will forget playing together at Grandma's every weekend. We were more like bother and sister rather than cousins. My heart is saddened that you left us. I pray that God watch over Brandy,Cole,Lee,Dean,and Harley. You all hold a special place in my heart.I hope to see you again on the other side. Love Ya Cuz, Reba##imported-begin##Reba Turner##imported-end##

“ We all are gonna miss you, we don't have anyone to aggervate no more, you always laughed at what ever anyone said. No matter what you were a good person and do us all a favor, keep an eye out and watch over us. Rest In Peace

Little did we know that morning that God would call your name. In life we loved you dearly, in death we do the same.

It broke our hearts to see you go, you did not go alone. For part of us went

with you the day God called you home. You left us peaceful memories,

your love is still our guide. And though we cannot see you, you are always on our side. Our family chain is broken and nothing seems the same.

But as God calls us one by one, the chain will link again.##imported-begin##Richard and Vickie Six##imported-end##
