“ I will forever miss our friendship, and being soccer moms! The one thing that I most remember about Tina is the big smile on her face and her loving heart! I never heard her complain about anything. She would always tell me, I feel alright, I'm getting better.

As I am saddend tonight, I am also rejoycing with her. I know that Tina has seen our Savior, and she is pain free!

Brian, Trace & Brandon, you guys will forever be in our prayers, and our friendship will only continue to grow. God Bless each of you, and know that our family is here for you when ever you need an ear, or a friend!

In Christ Love

“ I only met Tina a little over a year ago when she first started work at First Tee. I was helping out while they searched for the perfect person for the position, and they found that in Tina. During the few short weeks that we worked together her love and dedication for her family was ever present. I always enjoyed her stories about the joys of her life...Brandon and Trace. All though our friendship was brief, I felt I would never forger her. I remember that on the day I left she wiped away a tear as we hugged. Several months later we spoke briefly on the phone, and as people most often do, we said we would keep in touch. Now I wish we had.

To all of you....my heart aches at your lose. I will remember you all in my prayers and never forget Tina's smile and our short friendship.

God be with you.
