“ *Butch, Sonja and family,
Please know that you have been in our hearts and prayers. We didn't know Todd that well, but remember the three of you coming by our house one Christmas and we still cherish that visit. A person doesn't always realize the impact they have on another; however, Todd had that lasting impact on us. We always admired how humble and independent he was when so many would have been angry at the world. You don't understand why some seem to have all the breaks and others don't; however, all that Todd endured with true grace made us want to be a better person. We always asked Mom about the two of you and how Todd was doing. Actually, we talked about you and Todd while on vacation. And it saddened us so, when we got home to learn of Todd's passing. It's never easy to have someone you love pass away, especially when it is your child; but, may you find comfort in knowing that Todd is no longer suffering and he is with his Lord and Savior. Matthew 5:4 "Blessed are those who mourn, for they shall be comforted."*

*With all our love and prayers,

“ I thank the Lord for allowing me to get to know Todd on a personal level. He was a beautiful person, sincere and a true warrior. As I wish I would have been able to spend more time with Todd and get to know him even better, I find comfort in knowing that I will see him again soon and he will be smiling, pain free and in God's presence.

Sonja Butch, Chris/Cindy, I am praying that the Lord continues to bring you comfort and peace.

“ *Butch, Sonja, Chris. words fail me. As I think back of Todd, Terry, and myself playing basketball to way up in the night, playing football at Davenport, walking all over Greer, going to get something to eat. I will always remember that grin and him being a buddy and pal. I pray God will wrap His arms around yall comfort you and give you strength through this time.*

Remember, we will all get to see him again.

“ I thank God for the privilege of allowing us to have Todd as an adopted member of our family here in Jacksonville. His loving, caring, giving heart was unmeasurable. I will forever admire (and be inspired by) how his physical handicaps were never ever an excuse for anything. I'm very honored to have worked with him and to call him my friend. He will definitely be missed, but never forgotten. God bless you Sonja, Butch, Chris/Cindy for sharing him with us. May our God be comforting all of you so tightly that you feel His breath in your nostrils.

Matthew 11:28-30

“Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light.”

“ Dear Sonja, Butch, Chris and Cindy , I am deeply saddened to hear of Todd's passing . We shared a lot of laughs together . My family thought the world of him . He would light up any room when he walked in . His sweet spirit made everyone feel loved even if he really didn't know you that well . I'll never forget the beach trip with Annette , Carol and my dad (Bill Lee) and how we laughed until we cried and had a ball . I'm sure Annette is thrilled to have him by her side in Heaven . We will always remember the good times with my friend . Love you always Todd !See you again in Heaven with my precious sister and what a reunion we will have ! ❤️
