“ *I remember Tommy from the time we were small kids. We played together at Pa and Ma Blackwells house. Didn't get to see each other much as we all grew older working and families of our own . I loved going to there house to watch the horses and talk to Sondra. She is a sweet person. Always glad to see Edna and Al. Dottie too.. I loved Tommy and always thought he was so handsome. Love you Tommy Lee...*

“ Bless all the family in this time of grief. Hopefully this creates a smile today. I will never forget the day that Tommy came out on the stage at Davenport Jr. High School to support me running for Treasurer. He has always loved horses. Well that day he had on his boots with horse shoe shaped taps attached to the heels. He did make an impression for us. Kind of sounded like a Tennessee Walking Horse. Good by my friend.
