“ *Uncle Tommy was simply a good man! He was a second Dad to me, always there for me when I needed him. My memories of him are plentiful and I will treasure each one of them. He had such a strong faith and walk with the Lord that I know we'll see him again in heaven. I'm sure he's enjoying the streets of gold with all his family that went before him. He will be greatly missed and I pray that God will surround you all with peace in the coming days. It's not goodbye, Uncle Tommy, I love you and will meet you at the gates one day.*

“ *Tommy was a dear friend, with a heart bigger than he was. From meeting first a Greer Hi, to working together for 28 years, and both of us sharing a love of acoustic music and instruments. We always were in touch with each other, from visits, phone calls and playing music together. I'll miss you my friend.*
