

Tommy Norris

January 17, 1947 - June 14, 2025

Thomas “Tommy” Ryan Norris, Sr., 78, passed away June 14, 2025.

A native of Greenville County, son of the late Thomas Eugene and Martha Yeargin Norris, he was of the Baptist faith.

In 2014, Tommy Norris was named Time Magazine Automobile Dealer of the Year. At that time, he had been in the automobile industry for 47 years. His main advice in order to be a successful dealer was, “If you will listen to me, follow my instructions and put forth an effort, you’re gonna be successful.” He instilled a work ethic beyond reproach and expected their personal best. He came from humble beginnings and worked hard to achieve his success. He began his career at Fairway Ford in Greenville and went on to a managerial position at Toyota of Greenville, which led to him developing a relationship with Toyota Motor Sales. These relationships evolved into him opening Toyota of Easley as a Dealer in 1979. Toyota of Easley rose to success as one of the top dealerships in the Southeast. His son Ryan joined him as a partner in the business in 2008. Ryan modernized the business while keeping Tommy’s traditional values intact. They adopted the mantra, “Our Name Means A Great Deal,” which still holds true today. With his wife, Vickie, by his side, as his supporter and soul mate, they made a life together for 56 years.

His love for God, family, country, and many friends was unparalleled. He was most proud of his family! He lived large, loved large, and if you were lucky enough to be loved by that big heart, you were blessed. And that’s a Tommy Norris promise!

“ I was briefly married to Vickie's brother in the 70's. I truly loved Vickie and Tommy. They were a very sweet loving couple and had two precious sons I haven't seen either in years but was sad to hear of his passing Sending love and hugs to Vickie, Ryan and Stacy and all of their families.

“ Tommy was a good customer of mine at The Open Hearth restaurant for years. He and Vickie were always so pleasant and I enjoyed seeing them every time they would come in. One thing I admired most about this couple is after all those years together they were still so much in love. They never had a cell phone out on the table and they never took their eyes off each other like they had just met and were on a first date. I am so saddened, the world has suffered a great loss. Prayers to the family.

“ So sorry to hear of his passing. My dad knew him very well at Fairway Ford years ago. (Jones and Rebecca Burnett). He always spoke highly of him back in their car days. Praying for strength.

“ *What a wonderful man to be called a "friend"! I first got to know Tommy well over 40 years ago through his father-in-law, Kenneth "Ken" Williams [Vickie's dad] who worked at the Monaghan Plant as the Weaving Superintendent. First, Ken was first and foremost a Christian man who placed his family second only to God.*

He introduced me to Tommy through my first purchase of a Toyota vehicle; and later, I got to know him more through church league softball in direct competition. As in life, he was a fierce competitor. That I liked.

As our relationship grew, I began to appreciate Tommy more and more. He ALWAYS talked about his family - Vickie and his children; then, later his grandchildren & "greats". They were the LOVE of his life. That truly impressed me and made an impact on me as well. I also saw in him attributes of being steadfast, committed, and tough - never to the detriment of anyone while operating a car dealership or just living life. He was a businessman's businessman - a role model of how to bring success to your life.

It didn't take long to know that he had a firm grasp of his spiritual relationship with Christ. He was not shy about that relationship either. As was true in his "celebration service", you always knew the real Tommy Norris.

My heart, my prayers, my thoughts, and my love go out to Vickie and the entire family. The world is a better place because of Tommy. I'm so thankful to have crossed paths with this man, a fellow believer in Christ.

“ *Until two weeks ago, I hadn't seen Tommy Norris in years, however, we did spend ten years together from 2000 till 2010 when I worked for him at Toyota of Easley. And I can honestly say that I have never worked for a better boss. Yes, he was hard to work for at times, but he was always fair and he never held a grudge, in fact twenty minutes later he'd be back hugging my neck. I could tell so many stories of my time at Toyota of Easley, but the bottom line is all these years later I can honestly say that man taught me so much without even knowing it. I'd think about him a lot over the years, every time I'd drive by the dealership and see his white truck parked out front. Then, two weeks ago, my wife Bonnie and I purchased two vehicles from Toyota of Easley and we really enjoyed catching up with Mr. Norris then. We are so happy for the brief time spent together before his passing. We offer our deepest condolences to Miss Vickie and all the family. "23 has gone 10-7" Godspeed Tommy. ~John Agostino*

“ Wow... #23. What a great man—hard, but fair, and always caring. I'll never forget coming back to make amends with him and Ryan. Mr. Norris sat me down, looked me in the eye, and said he was proud of me—and not to let my potential go to waste.

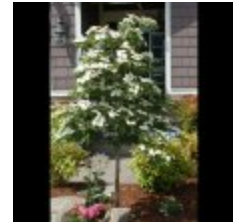

That moment stuck with me.

“ Tommy was a sweet man to my whole family. One day years ago, my little girl, who was probably 13 or younger was riding her bike down Mountain Springs Rd, got very thirsty so she pushed the intercom button at his house and asked if he would let her come in for a drink of water and he just opened that gate with open arms.
