“ Billy, Thomas, and family, I am sure you heard this saying before, "Death leaves a heartache no one can heal.... But love leaves a memory no one can steal".

Your father/grand father will always be a part of you, speak with your heart. God bless.

“ *Suzy - I am so sorry for your loss. I know that your daddy is with your mama now and they are in each others arms. He is gone in body but will forever be in your heart. You will always be "daddy's girl". He is pain free now and the angels took him home. I know you find comfort in knowing that your daddy and mama are together again. When you look up at the sky at night and you see the brightest star that is your mama and daddy watching over you. I am here for you always. Love you Vickie*

Sarah, our thoughts & prayers are with you and your family at this time. It is hard to loose a parent by death but when you know that they are in a much better place and that they are completely well and enjoying Heaven it makes the memories so much sweeter. Dean & Wilda
