“ *Tonia was an amazing woman. Unbelievably strong, independent, fun-loving, caring, and an incredible mother. Jessica, your mama was so proud of you and the beautiful young lady you've become. You've always been her pride and joy. I'm praying for you, your family, and all who loved your mama. She will be missed.*

“ I used to work with Tonia at Regional Acceptance. Greene Jeans, as I called her, was a fun and feisty lady. She was smart, a hard worker, and had a good sense of humor. Jessica, she loved you dearly and spoke highly of you all the time. She will be missed.

“ Jessica and family. I was heartbroken to hear of Tonia's passing. She has been in my life since she was born. I loved her very much. Ann was my Best Friend so I find comfort in knowing Tonia is now re- united with her Mama. God Bless, I will keep you all in my prayers.

“ Tonia will certainly be missed at BB&T. I enjoyed working with her for years in the Dealer Finance department. Tonia was so smart and funny and she sure did love her daughter, Jessica! She was her pride and joy! As hard as it will be, continue to make your momma proud, Jessica. She is now your guardian angel and it would make her so proud to see you continuing to do great things with your life. Hold on to your precious memories and know that your mom lives on forever in your heart. Hugs and prayers, Jessica, for you and your family. So very sorry for your loss.

*Jessica,
I am so very sorry for your loss and understand exactly how you are feeling right now at this moment. Find peace in knowing that you made your Mother's light shine from the inside out. Your success brought her so much joy and pride. You were her light and her everything! She loved you so much so continue to do great things and allow her light to shine on. She shared so many stories about her Mother of whom she adored and missed so much but now she can join her and their memory will live on inside of you forever. Like your Mother would always say from her "Sister from another Mother"*

*Deepest Sympathy,
Muriel Green*
