“ *Uncle Tony, you will forever be missed, and I'm thankful for all the memories I have of you, and thankful I was able to have dinner with you one last time before you left us. I will miss your stories, and will miss the way you picked on us all. I'll always remember learning about guns from you, shooting at the range with you, hearing you tell stories about you and my father, and will think of you everytime I make spaghetti and meatballs, and also each time I eat cheesecake. I love you uncle Tony!*
