“ Tony, can you believe we met 35 years ago? We were 16 years old, and where they called it the "Sky City Parking Lot" teenager's would go there, meet, make some friends, and in mine and your case, we have stayed friends. You drove that green Camaro and we just made each other laugh. Everybody would hop in their car's and here we all went cruising - around thru Burger King, back thru Sky City Parking Lot, then down to McDonald's, then back up and do it all again. Sometime's we went to the bowling alley and shot pool, we just had so much fun. We about filled the bottom of the parking lot up when we parked to talk and cut up. It seemed like every week there were new people and we all just added them in to our group. Oh we had so much fun, I know we've talked and laughed about it over the years. Also about where you didn't take me to Darlington to the Nascar Race, lol. But you know I love you and I know you love me and always will. I told Teresa that you and ya'll's Mama are right there with her. I know you are so happy now, You're no longer Blind, no longer sick or in pain and that you are a happy man once again, you and your mama have probably been dancing since you met her and left this cruel earth. I'm gonna miss you for awhile, but I will see you again then I get the dance you owe me. Tell Mama Gail that I miss and love her too. Tony you are dearly missed but I just know you are in a better place, I can't be selfish and want you back in the sick life you had. I try to smile, but it's just too hard for now. I love you Honey, and "CHEERS" to you my darlin. May you rest in peace. I love you Tony, Martha

“ *To everyone who loved Tony:*

We am so sorry for your loss. We would love to be able to say something that would help ease your pain but no words can do that. We do want you all to know that you are in our prayers and that we know without a doubt that he has joined his sweet mother in heaven.
