“ I know this is late being added, but Geneva and I just wanted to express our condolences to Tony's family in his home-going. He was a dear friend, and we thought the world of him. Please know that y'all continue to be in our prayers and shall continue to do so in the days, weeks, and months to come. May God's sustaining Grace be especially real during this time.

*With all our love, Julian and Geneva Galloway*
