“ I worked with Tonya for many years at LTAT. She was a delight to work with and was a friend to all. She was so "crafty" and "creative". My favorite was the robot she mad for Cohen's birthday bash. I too have followed her journey on FB. Such an inspiration to us all. Never lost her faith during her battle. She fough with a smile because as she said, she is where God needs her to be. My thoughts and prayers are with you all.

“ I went to school with Tonya. She was a year/grade older than me but we had a class or two together. I remember her always having a sweet spirit and kind heart. I pray God shows her family those same limitless virtues during this time, and always!

“ *I cried when I read the news of Tonya's passing. I remember dancing with her a middle school dances, cheering with her, practicing toe touches off of the back of pickup trucks. Tonya was beautiful and talented. She always had a smile on her face. Fond memories of such a sweet lady will live on forever.*

“ *Tonya , I will never forget you! You were an inspiration to us all. My favorite memory was when we danced to "Shine" by the News boys @ Ski Invasion. And most recently 2 years ago I seen you during the Breast cancer walk... You were as lively and full of joy then...we were able to dance together and laugh @ how bad I missed the steps.. But, you kept pushing me. You will always to an inspiration! Thank you , till we meet again.*

“ Tonya was my student at Emanuel Academy several years ago. She was extremely outgoing and always had a good word for everyone. She found good in everyone and never put anyone down. Her excitement for cheering was endearing and she always wanted to help others learn the cheers. I think she would rather cheer than eat lunch. She and some of her close friends would get the giggles (mainly Angela Lee Sox). They would giggle till they turned blue! I did not know she was sick. I am praying for the family now, that they would find comfort in her home-going She fought a good fight with cancer for 2 years. Now she is healed. Tonya, Roger is there. I know he will rejoice to see you. I have a little friend that made his journey there on Mother's Day. His name is Furman Broome. Be sure to look him up. I am honored to have been your teacher. You were a good student.

“ In my wife & I's 35 years of ministry we have now seen three of the children we ministered to depart this earth. Tonya was one of the two girls that we carried to summer camp in 1987. Tonya was a sweet loving and energetic young lady that danced in the children's dance team's and grow strong in the Lord during those formidable years. Heaven really did reach down and select the very best we had to offer this time.

Charlie and Tonya are considered family from a distance of only 100 yards. As neighbors we found time to laugh and share stories together. We enjoyed watching Tonya sitting in a beach chair in the driveway watching the kids play in the yard. We know that God will continue to allow Tonya to watch over her family from the right seat of Christ. GOD Speed to you Charlie and the family during this time of bereavement - Travis & Maya Smith "The Reserve @ Riverside."
