“ Met Toy in 2020 at Myrtle Beach; we became instant friends and played music a couple days. He became a very special friend as the song we played while he sung was, I'm a Winner. It will always be special and was an inspiration to me while I suffered 30 days intensive care in Cleveland TN Hospital. Prayers for you Emily and a quick healing, his journey is finished and walking the streets of gold. RIP my dear friend we will meet again someday.
