“ Tj and family I am so sorry to hear of the loss of Toy, but I do know the pain. I lost my dad on July 11 2014 . Toy was a great man and Clay and I are going to miss him coming by the shop with his golf cart parts and the stories he could tell. Not to mention the tomatoes and cabbage nobody grew them like Toy. He liked my dad always had to be working on something or the day was wasted. The pastor of my dad's church had come by to comfort us in our time of sorrow. He told us of how daddy was living in the big house now with our heavenly father and after a short pause I told him it did not matter because daddy went right on around the side of the house and he was in the garage. That would have been Toy he knew my dad as well. They say God has a plan and now I know he called home my dad to get the tools ready for Toy. May God bless you and your family in your time of sorrow.
