I will keep all of y'all in my prayers. God will give each of you strength and comfort during these difficult days. I know the pain of losing family members so young. I will tell you that after my baby passed, I really didn't understand. A lot of questions weren't answered. I went to another cousin's babies; an elderly man was doing the service. He spoke to my after he said that God needs all ages in. It just can't be only the elderly he wants all ages. I hope that in my heart this will help some of the family. Sincerely & Love, Debbie Bailey
