“ *Trudy lit up the room just by being in it. Even in a dark hour for her, she always flashed those eyes, curved her smile, and gave you a heart felt hug. Her address has changed but her soul will always remain with those who love her. My deepest appreciation and love to Brad for being the caring support he unselfishly and willing gave to Trudy. You will be remembered.*

“ Trudy. My girl. Friends for many years. One of the most special people I ever had the privilege of knowing. I was just speaking of how I missed her on September 4, my birthday. Rest in peace. You struggled, you tried, you were the best. I'll always love my Trudy girl.
