“ Tina and Joy I am so sorry for the loss of your father. I know saying that doesn't help ease the pain and the loss, nothing does. Both of you have done everything possible to take care of him and you made sure his needs were met. You were wonderful daughters and he was very proud of you. You have always been special to me and I hope that if there is anything I can ever do for you that you will call me. Anything anytime. My love, thoughts and prayers are with you.
