“ Sorry to learn of your Dad's passing. We were neighbor's on Sheepnose in Lake Lure, we are in the gray house below your Mom and Dad's home. We enjoyed them very much for several years and were sorry to see them move to Texas. But now that we are in our 70"s we understand...
I am sure Carolyn is enjoying showing Truman the "ROPES" in heaven and getting caught up on the grandchildren;. We enjoyed them very much.

“ Mary & I met Carolyn and Truman in 1984 in Cairo, Egypt. Both of us worked for General Dynamics Corporation at the time and Truman was my supervisor. Mary & I will always remember the warm and gracious hospitality at the Cobb's apartment in Cairo and the wonderful times we shared with them. A special time was had by Truman and me when Carolyn and Mary gave us a kitchen pass to fly to Scotland for a week of golf & an unforgettable experience. Truman was like an older brother and mentor to me and I will miss him very much.
To Rob & Truman, Jr, and the extended families, please accept our deepest sympathies.

“ *My father, Zeb Taylor, was Truman's mother's oldest brother. I always enjoyed the Cobb family coming to Lake Rabun for a visit. He was a very special friend when we were growing up. Helen and I looked forward to visiting with him and Carol at the Taylor reunions. We speak of him often and will miss him. Deepest sympathy to the family.*
