“ To Tyler's family, friends and co-workers we offer our deepest sympathy and heartfelt prayers for each of you. He was always happy and was working hard every time he came into White Cap . He was always kind and was proud of his children. I would ask about them and he would tell what was going on in their lives . He will be missed in the construction field and by all the friends he made here on this earth. Heaven has gained another angel and he will always be remembered as a special hard working man. May God Bless each of you with wonderful memories. White Cap Construction Supply Team.

“ Through many trials in my life I've listened to the Vine Worship Team c d. lately has been one of those times, only I don't have my c d. for the past few weeks I've had Tyler on my mind with not having it I can still hear his voice sing "No Not One" there's not a friend like Jesus I can hear it, his voice is so beautiful and when I hear him singing that song it brings me such peace. Tyler had an amazing heart and such a love for Jesus. he always had a huge smile and a gentle way about him when I would see him, whether at church or a fundraiser or just bumping into him at the store. He was one of those people that just made you feel loved no matter what you've done because of his love for the Lord and that showed, his light shined bright and I'm grateful to have known him and will miss hearing him sing. I'm sure Heavens Angel Band just got a little louder. Michele you and your children are in my prayers I am so sad for you and the loss of such an amazing man. he will be deeply missed, may God give you all peace that passes all understanding. One more thing I remember around the time of my fundraiser, speaking to Tyler about practicing and the time it takes, I asked him how he did it with having a family and all because it did take a lot of time; he told me how much he loved it and how his wife was very patient he said without that he wouldn't be able to do it, he was so in love with his wife and he would beam while talking about her. It was very clear he loved his Jesus his wife and his family. May God bless you all. With Love and Prayers Heather k.

“ i wish tyler could tell me about the time he tried to shoot a demon again.... he was backed up tight to the wall in the pitch black night with his shotgun clutched tight in his white knuckled hands when he decided that a shotgun would be futile in a fight against demons on a halloween night.
