“ *Warren, Emily, Janis, Lee Ann, and Margaret,*

Sorry to hear of the passing of your mom. She was a "bright light" and certainly a great comfort to my mom (Frances Hughes Bearden) in her later years. I know they had some interesting political discussions and strong opinions on most topics. I often think how fortunate we as "Hughes Children" were to have had such great parents . . . we were blessed.

“ Warren, Emily, Janis, Lee Ann and Margaret, So sorry to hear about your mother's death. You were good neighbors to our family when we lived on the Southern Bleachery village. At one time, we were next door neighbors on Center Street. We moved to Charlotte in 1964 and I still live here. I called your mother about 20 years ago when I passed through Taylors to visit my cousin in Greenville. Even though I haven't seen the Hughes family in 50 years, I still have fond memories of all of you.

We share your sadness in the loss of a parent, your Mom is the one who gave you life and is now in an everlasting life in heaven. Arbutus sounds like a strong individual who had her opinions that made her so special. I know there are many fond memories your family share of a well loved and special lady. Our hearts go out to you all.
