“ So very sorry Michelle. Even though I only met Ms. Vallie on occation, it was very apparent she was a very kind, loving person. I know Madeline thought so much of her. I've always appreciated her for taking care of Madeline and being there for her dance recitals, strings concerts, piano and so on. My heart is heavy for you. I will continue to pray for you and your family.

“ Dear Brewton Family,  
You are all in our thoughts and prayers at this most difficult time. I pray that GOD give you the strength and comfort to get through this difficult time. Always remember the good memories you have with Vallie. Vallie was the kindest and sweetest lady I know. She was like a mother to me. She was always there for me no matter what. I love her and will never forget her kindness. I'm going to miss her dearly. Her life reflected what a wonderful and caring person she was. She was always doing for others and thinking of someone else. May GOD comfort and heal you as time passes. You're in our prayers.
