“ Karen, Judy, Aaron and Jimmy, What a beautiful lady and so glad she was a part of your family. I had many online and in person conversations with Karen about how much Velma meant to all of you, as well as her love of cats and I think she had a soft spot for hot dogs! So many good memories and the times I met Velma she was very kind and considerate to me. Keeping all of you and the rest of the family in our hearts and so glad you were all there for her. Thank you family for allowing the Spartanburg County Public Libraries', homebound program an opportunity to have close contact with your love one. She enjoyed CD/Spoken Christian stories and we enjoyed sending them through the mail to her. We also will miss her and again thank you for sharing her with the staff.
