“ Venice was Apalache! From my earliest days, when I called her Venus (I thought she was named after a planet), till I had dinner w/ her on the Mon. before she passed.....she was more than a friend, she was family. She worked w/ and was a friend to my Grandmother, my Mom and to me. She loved everyone. This worlds' loss , is heavens gain! See you again in heaven , Venice. Until then you will be missed by me and all who loved you. Renee Swangler###imported-begin###Renee Swangler###imported-end##

“ I send my heartfelt sympathy to each of you, as Ms. Venice was such a precious "icon" to the Apalache community. My mom and Venice worked together for many, many years at Apalache and Venice was a dear friend to my mom, and just like family to us kids. What a reunion they must be having now, catching up on all the Apalache news. You all will be in my thoughts and prayers in the days ahead.###imported-begin###Tammy Beeks Human###imported-end##
