“ Gail and Family,
Much love and prayers for the loss of Vera. Vera was the first person I met when I moved here to the apartments. She would always come to visit me when I was working puzzles. She told me "every' day that she used to live in Lexington, KY because she knew I was from KY. She didn't remember when she lived there but she remembered that she did live there. I loved talking with her and she was a sweet dear person. Much Love, Ellen Clark
