“ *Harvey and Family,*
We want to express our deepest sympathy in the loss of your Wife and Mother. We were so shocked to hear of her death. We didn't even know she had been ill. We are glad to hear that she was involved with Hospice. They are a wonderful organization.

May you find tranquility in knowing that friends and loved ones share in the loss of your dear Mother.

Take care of each other and may God bless all of you.##imported-begin##Sandra Loven Luxford, Mike Loven and Pat Cowan##imported-end##

“ Lynn and Chris, please know that my thoughts and prayers are with you. Chris informed me last week that your mother had taken a turn for the worse.

Eddie told me that you all were with her at the end. Believe me, that is a good thing. I would have felt a great deal of guilt had I not been with my mother when she died.

Lynn, I promise I will make it for lunch one day next week so I can express my sympathy in person.
