

Vickery "Vick" P. Powell

April 26, 1955 - July 14, 2022

Vickery "Vick" Pearce Powell, 67, passed away peacefully at home on July 14, 2022.

Born in Tallahassee, Florida, and son of the late Dr. Orrin Bert Powell, Jr. and Dr. Kathryn Summers Powell, he grew up in Rock Hill, South Carolina and was an all-star basketball player at Northwestern High School who brought a competitive spirit and zest for life to all he did. Vick married the late Vicki Johnson, a school teacher and the love of his life in August 1980 and they claimed their greatest accomplishment was raising their daughters, Carrie and Mary-Kathryn.

Vick truly lived life to the fullest and enjoyed life's simple pleasures; spending time with his daughters and grandchildren, hunting with his beloved dogs, watching Duke basketball, and relaxing at the beach. Vick had an uncanny ability to make friends everywhere he went and he bragged about his children and grandchildren to everyone he met.

Vick is lovingly remembered by two daughters, Carrie P. Fussell (Matt) of Simpsonville and Mary-Kathryn Smith (Dustin) of Greenville; one brother, Orrin Powell (Jean) of North Carolina; two sisters, Bettianne Davenport (Joe) of Columbia and Kathy Trammell (Walt) of Anderson; and five grandchildren, Kaylie Fussell, Deacon Smith, McKenna Fussell, Pearce Smith, and Palmer Smith. He will be deeply missed by his friends, family, and all who knew him. Online condolences may be made to www.thewoodmortuary.com.

“ Sincere condolences to all of Vick's family. The obituary written is well done and is the true essence of him. Vick and I became the closest of friends back in our basketball playing days at Northwestern HS in Rock Hill. Inseparable would be the more accurate term. Got to be really, really close with his Mom and Dad, as well as all his siblings, and of course Vicki. Vick was instrumental in introducing me to my wife, Nancy, and introduced me to my lifetime passion, hunting. I could write many, many books on all our escapades, and the memories hold dear in my heart. 'Dove Day' festivities including the cookout/the Bear joke by Dr. Powell, fanatical duck hunting, fishing, dogs, Duke/UNC/Clemson sports rivalries, concerts, Thursday's restaurant (he owned), softball, vacations, hell raising, and on and on and on. Vick and I talked all the time over the last few years, and his true passion was his wife, and beautiful daughters and grandkids.

Love you Brother. Hope you and Vicki and your folks are having a blast in a much better place.
