“ Dear Powell Family,  
I worked with Vicki at Berry Shoals for my first two years in District 5 before I had to move schools due to a speech therapy personnel shortage. I enjoyed working with Vicki and her class, and have missed it the past two years. I have been thinking about you all the past few weeks, and especially in the past few days. So many prayers have been and are being lifted up for you. You will continue to be in my thoughts and prayers.##imported-begin##Corrie Kennette##imported-end##

“ Dear Carrie and Family,  
It is evident by your strong character and commitment to excellence that you must have had a wonderful Mom and have a great Dad. Though I never had a chance to meet your Mom, I feel like I know her from your talking about her. Everyone here at school is asking about you and very concerned. We love you and are praying for you and all of your family! Love, Lynn##imported-begin##Lynn Tate##imported-end##
